Travel to Mana

Location

Mana is situated 20 minutes south of Coromandel Town, approximately two hours from Auckland. From Thames take State Highway 25 along the pohutakawa-fringed coast line. After 38 kms you will see the entrance to Mana on the right – Mana Retreat, 608 State Highway 25 (Manaia Road), Ph (07) 866 8972.

Driving from Thames:

From Thames take Hwy 25 toward Coromandel. After about 30 mins on the coast road you will come to Wilson Bay after which the highway turns inland and uphill. After a short dip the road rises again to Manaia Summit and Rest Area. From here proceed 2 kms downhill looking for the sign on the right “Mana Retreat 300m”. Turn right into the drive.

If arriving after dark, the drive is marked by a series of red reflectors on stockyard fencing. Passing a side road to the left, continue up the drive to the fish pond and palm. The Centre is on the left and the office is through the double doors. The car park is a few metres beyond the centre. You are welcome to park on the tennis courts.
